Over 60 Years Of Service To Our Members

The oldest and largest Travel Club in the world
providing the most comprehensive list of benefits ever
offered for the all-inclusive annual fee of only \$7.50.

Dear Friend:

It may be hard to believe just how much "traveling" YOU do, but without ever leaving your home town YOU travel thousands of miles every year: commuting, shopping, visiting!

That is why whether you're a day-to-day commuter going to and from work, a weekend vacationer, a two week a year adventure-seeker looking to get the most for your travel dollar-- or a veteran traveler searching for new and interesting places to visit, the enclosed invitation may well be one of the most important you will ever receive.

You'll see why as I introduce you to the NATIONAL TRAVEL CLUB.

The Club was organized in 1906. Its aims and objectives are now as they were then...to create and promote interest in travel-- to furnish information and to obtain concessions for the traveler-- to assure its members the ultimate in convenience and security when they travel-- and to establish a closer relationship between all peoples to secure lasting peace.

The National Travel Club has accomplished all that, and MUCH MORE. When you become a member, you will join almost 400,000 travelers -- among them famous personalities like -- LOWELL THOMAS, Commentator and World Explorer ...DOROTHY KIRSTEN, Metropolitan Opera Soprano...SIDNEY CLARK, World traveler, Author and Lecturer...AMY VANDERBILT, Authoress...and YEHUDI MENUHIN, renowned Concert Violinist!

With them you will take advantage of the many services and savings made possible only thru the combined efforts of a large group working together toward one common goal.

For example, the following valuable benefits, yours automatically the instant you become a member, were found over the years to be the most indispensable for travelers.

1. \$15,000 TRAVEL ACCIDENT INSURANCE -- This insurance protects you 365 days (INCREASES TO \$30,000 ON RENEWAL) a year -- 24 hours a day. Think of it,

(over please)

\$15,000 multi-coverage accident insurance that covers you fully while riding on trains, buses, boats, planes, taxis and subways -- while commuting to and from work, while shopping, while on unexpected trips and errands, and of course while on vacation. This insurance feature by itself saves you the cost of membership dues, by eliminating the need for single-trip limited policies. Pedestrian and private car coverage are also provided.

You get uninterrupted protection against accidents while traveling on any "licensed public transportation" from the day you join throughout the first year of membership. Thereafter, it JUMPS to \$30,000 (this higher coverage is yours immediately during the first year of an initial 2-year membership!).

Hospital Expense Indemnity (under specified sections), is also included for \$25.00 daily up to 60 days of hospital confinement plus special payment towards the use of operating room, administration of anesthetic and ambulance fee. Moreover, your complete insurance coverage is automatic -- no physical examination necessary -- no age limit -- no extra premium to pay.

2. A FULL YEAR'S SUBSCRIPTION TO "TRAVEL" -- The magazine whose critical analysis of air safety problems were so highly regarded that its recommendations were presented to Congress and READ INTO THE CONGRESSIONAL RECORD! Indeed, TRAVEL keeps you well informed on the many important events happening all over the world.

But more about TRAVEL later. Let's go on to the other valuable benefits, yours to enjoy the moment you join NTC.

3. TRAVEL INFORMATION -- Take the guesswork out of your trips! NTC's Information Service guarantees you complete assurance of travel ease, economy, satisfaction and enjoyment. Friendly and efficient at all times, its staff is expert about time-tables, hotels, routes, sight-seeing guidance. It will give you invaluable information, if you're planning to go abroad, about getting passports -- customs regulations -- which hotels have the best service -- what to tip in each country -- sights to include in your tours -- and even what clothes you should take. Indeed, no question is considered too large or too small!

4. 25% DISCOUNT ON BOOKS -- This is a real money-saving benefit for avid readers. You can save literally hundreds of dollars a year. Your NTC membership entitles you to order any book you wish, fiction or non-fiction, at an amazing 25% discount (lesser discounts only on textbooks and reference books). And remember, you are not restricted to any one publisher.

This is an automatic benefit to members. You DO NOT have to order a minimum number of books. You do not have to order any books AT ALL! You simply take advantage of the savings whenever you wish to purchase books.

5. MOTOR TOURING SERVICE -- With the help of this special service you can plan your auto trips to suit your personal wishes, no matter how varied your individual tastes may be. Carefully

prepared road maps will lead you along the shortest, most time-saving routes or, if you're going on an unhurried vacation, a carefree scenic route will be planned.

6. MEDIGUIDE SERVICE®-- This extremely valuable benefit is newly available to members at NO ADDITIONAL COST. Your service Mediguide provides over 2,500 English-speaking doctors and dentists, in more than 250 cities around the world. The quiet confidence of knowing exactly where to get English-speaking medical aid anywhere in the world will make your trips so much more relaxing and carefree.

7. MAIL FORWARDING SERVICE-- This helpful service can save you much needless worry-- keep you in constant touch with what is going on at home. You may be expecting an important document or check at the very time you will be away. Your important mail will be promptly forwarded to you so that you receive it regularly wherever you may be.

8. DISCOUNT TRAVEL FILM LIBRARY-- As a member of NTC, you are entitled to 20% discount on films of your choice-- in color or black and white--with sound or silent-- in 8 or 16 mm.

Now you can heighten the unparalleled pleasures of travel-- thru exciting films, available from NTC, of the places you plan to visit or have already visited. It's like year-round vacationing!

9. MEMBERSHIP CARD-- Your membership card identifies you as a member of the NATIONAL TRAVEL CLUB, and when completed by you, it provides immediate and valuable medical information for emergency use. It also provides proof of insurance coverage.

10. CLUB EMBLEMS-- You'll be proud to attach the attractive emblems to your luggage as added protection and safeguard.

You can see at once that each NTC service is worth the low membership dues. That's if you could get them elsewhere-- but these unique privileges are not obtainable in a package apart from the Club!

And now -- HERE'S THE BEST NEWS OF ALL! A full year's membership in the National Travel Club costs only \$7.50! Can you imagine?

That's right just \$7.50 for a whole year! Now you can understand the reason for the tremendous growth of the NATIONAL TRAVEL CLUB. You will agree that any one benefit alone is easily worth the modest annual dues.

And while I'm on the subject, let me tell you, briefly as possible, some features you may expect to find in TRAVEL Magazine.
